Raj is a Rockstar!

Anonymous review posted on December 4, 2015

We were referred to Raj by a mutual friend, and after one meeting with him we knew we had found the lawyer we needed. My wife and I were dealing with a relocation case that are very difficult to win, and he did not shy away from letting us know that it was going to be a hard case. Raj...

Highly recommended!

Anonymous review posted on February 13, 2014

Raj represented me in a divorce action where custody of our two children (then age 7 and age 4) was a really big issue. He was very straightforward with me about the strengths and weaknesses of my case, as well as what my expectations should be in trial. I found it amazing that he...

A Great Attorney

Posted by Rod January 19, 2013

Raj Bains represented me well. He understands and respects the sensitivity of divorce cases. He's tough but not overpowering, he only apply as much pressure as you, the client, want applied. Raj dosen't sugar coat anything and puts everything on the table as far as options. In trial...
